Join us, walking in the Yorkshire Dales

Girlguiding North East England is holding its autumn walking weekend in the Yorkshire Dales and you are welcome to join us. Our hostel is nestled between Ingleborough and Yorkshire's highest Mountain - Wharfedale. There are plenty of routes, and with the station at Ribbleshead nearby, a linear route over either mountain from down the line could make a special walk!

The weekend is for any adult member, partner or friend interested in walking or in the Girlguiding Walking Scheme. Come and walk with friends on a relaxed fun walking weekend or gain training or assessment for level 2 of the Girlguiding Walking Scheme.

The programme for level 2 training and assessment will be run separate to the more relaxed tea shop walks! Opportunity to lead a higher level walk for fun is available for those who wish to gain log book walks in Level 2 and Level 3 terrains.
